IN THE MATTER OF THE APPLICATION OF
ARIZONA WATER COMPANY, AN ARIZONA
CORPORATION, TO EXTEND ITS EXISTING
CERTIFICATE OF CONVENIENCE AND
NECESSITY FOR ITS PINAL VALLEY
SYSTEM, PINAL COUNTY, ARIZONA

DOCKET NO. W-01445A-06-0059

**SUPPLEMENTATION OF REQUEST
FOR ADDITIONAL TIME FOR
COMPLIANCE FILING**

On November 12, 2012, Arizona Water Company (the "Company") filed a request (the "Request") that the Commission extend, to December 5, 2014, the compliance deadline under Decision No. 69163 (the "Decision") in the above-captioned docket. The Decision approved the Company's application for an extension of its Certificate of Convenience and Necessity for its Pinal Valley system, and further directed the Company to file certain items as a compliance filing within certain time frames provided in the Decision. The bases for the Company's request for an extension of the compliance deadline are detailed in the Request.

In paragraph 7 of the Request, the Company detailed that the Request included, as Exhibit C thereto, a letter from one of the owners of the real property located in parcels 2, 4 and 5 of the extension area approved by the Decision. The Company also informed the Commission that it would file additional property owner letters when they are received.

The Company has now received, and has attached hereto as Attachments A and B, letters from two additional property owners or property owner representatives, of/for the real property located in parcels 2, 4 and 5 of the expansion area. The Company has now filed property owner letters from all but one of the property owners in the expansion area; it is attempting to obtain the remaining letter, and will docket it as soon as it is received. As

1 with Exhibit C to the Request, the letters attached hereto document the property owners'
2 continuing need and request for water service from the Company to be able to develop
3 their property in reliance upon water service that they plan to obtain under the Company's
4 CCN.

5
6 CONCLUSION
7

8 The Company believes, and therefore respectfully submits that the foregoing
9 provides additional support for its request for additional compliance time. Therefore, the
10 Company again respectfully requests that the Commission enter an order as detailed in
11 the Request.

12
13 RESPECTFULLY SUBMITTED this 15th day of January, 2013.
